04 FA B28 Blue	09 FA O16 Orange
05 FA Y84 Yellow	10 FA T36 Turquoise

COLOREX C8 "Ecosystem" configuration

Pastes used	
01 FA Y42 Yellow	05 IN R12 Red or EX R54 Red
02 FA R01 Red	06 ES Y74 Yellow
03 EX B15 Blue	07 EX R22 Magenta
04 EX G07 Green	08 FA B11 Black

COLOREX C16 Standard configuration

Pastes used	
01 FA Y42 Yellow	09 FA T36 Turquoise
02 FA R01 Red	10 ES Y74 Yellow
03 FA UBA Umba	11 EX Y54 Yellow
04 FA Y84 Yellow	12 EX R54 Red or EX R68 Red
05 FA W06 White	13 EX R22 Magenta
06 FA B11 Black	14 EX B15 Blue
07 FA V29 Violet	15 EX G07 Green
08 FA O16 Orange	16 EX O80 Orange

COLOREX C12 “US Plus” configuration

Pastes used	
01 FA Y42 Yellow	07 ES Y74 Yellow or EX Y54
02 FA R01 Red	08 EX R54 Red
03 FA UBA Umba	09 EX R22 Magenta
04 FA W06 White	10 EX B15 Blue
05 FA B11 Black	11 EX G07 Green
06 FA V29 Violet	12 EX O80 Orange

COLOREX C18 Standard configuration

Pastes used	
01 FA Y42 Yellow	10 ES Y74 Yellow
02 FA R01 Red	11 EX Y54 Yellow
03 FA UBA Umba	12 EX R54 Red or EX R68 Red
04 FA Y84 Yellow	13 EX R22 Magenta
05 FA W06 White	14 EX B15 Blue
06 FA B11 Black	15 EX G07 Green
07 FA V29 Violet	16 EX O80 Orange
08 FA O16 Orange	17 FA B28 Blue
09 FA T36 Turquoise	18 IN R12 Red

NB : Each module of Colorex gives access to certain Colour cards for specific paint requirements & applications and can be used as full system or integrated as complement to existing colorant systems :

- **Façade C6 or C10** : shades made only with inorganic pigments for specific paint systems and cement containing systems .
- **Ecosystem** : limited number of very cost effective shades for Exterior or Interior applications
- **US Plus** : configuration so called US standard based on 12 High Fast pigment pastes .
- **Standard configuration** with 16 or 18 colorants : gives the possibility to formulate unlimited number of shades and all Ceac AG and competitors fan decks , not only for Façade applications but also for exterior and interior standard deco paints , water-based or solvent-based .

The CEAC AG team ,
